Hello all,

And thank you very much for the reminder, Robert.

I will actually be out of the office on Monday so it will just be Patrick on this call. I'll be able to get myself up to speed with him when I return on Thursday.

These calls are extremely helpful and much appreciated.

-Sophie

Hi Sophie and Patrick,

I hope all is well with you. This is a friendly reminder about our monthly call scheduled for next week: Monday, April 10, 2017 @ 12 pm (Mountain Time).

Call in number: Conference Line/Code / Ex. 6
Participant Pas:
Draft Agenda:

- Anaconda Smelter Site
 - Overview, 5 Year Review, and Project update
 - Community Soils Operable Unit update
 - Anaconda Regional Water, Waste and Soils Operable Unit update

- Next monthly meeting, agenda items, and featured site

Let me know if you want to add anything for the agenda and we can include it in our discussion next week. FYI - Charlie Coleman will join us for the call. Charley is the Remedial Project Manager (RPM) for the Anaconda site.

You will notice that I include a few EPA folks on these emails. For your reference, I have included below a roster of RPMs for Montana sites. As we continue to meet, I am sure you'll meet all of them. I've also included some of our team in Denver who may like to join us when their schedules permit.

Thank you for taking time to meet with us, talk with you next week!

RPMs in Montana

- Allie Archer – RPM for the MT Pole and Treating site (Butte), the Basin Mining Area site (Basin) and Flat Creek site (Superior), and the Warm Springs Ponds Operable Unit (Butte).
- Betsy Burns – RPM for East Helena (E. Helena) and Solvay (Butte) sites
- Charlie Coleman – RPM for Anaconda Smelter (Anaconda) and ACM Smelter (Black Eagle/Great Falls) sites.
- Mike Cirian – RPM for Libby (Libby) and Columbia Falls Aluminum Company (Columbia Falls) sites.
- Nikia Greene – RPM for the Butte site (except for the Warm Springs Ponds Operable Unit)
- Roger Hoogerheide – RPM for Barker Hughesville (S. of Great Falls), BN Livingston (Livingston), BN Somers (Somers), Carpenter Snow Creek (S. of Great Falls), Idaho Pole (Bozeman), Lockwood (Lockwood/Billings), and Mouat (Columbus) sites.
- Sara Sparks – RPM for Smurfit-Stone Mill (Frenchtown/Missoula) and Milltown River Sediments (Milltown) sites.
- Tillman McAdams – RPM for Upper Ten Mile (SW of Helena) and Lockwood (Lockwood/Billings) sites.
- Joe Vranka is the Superfund Unit Supervisor for Montana sites.
- Robert Moler is the Community Involvement Coordinator for Montana sites (except for Libby).

Region 8 Staff in Denver

- Andrew Mutter is the Director for the Office of Communication (OCPI) and Public Involvement for Region 8.
- Jody Ostendorf is the Congressional and Intergovernmental Liaison for Region 8 OCPI.
- Chris Wardell is the acting Program Manager for the Public Affairs and Community Involvement program for Region 8 OCPI.
